Professional Summary:

Electronics and Communication Engineering graduate and certified Front-End Web Developer (React.js) with hands-on experience building responsive, multi-section websites using semantic HTML5, modern CSS3 (Flexbox), and JavaScript fundamentals. Strong engineering foundation in C, C++, and Python combined with practical frontend skills in Git/GitHub, custom CSS architecture, and 3D CSS animations. Currently expanding expertise in Backend Development and AI Engineering. Open to Frontend, Software Engineering, and technical roles.

Technical Skills:

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design, Flexbox, CSS Grid, CSS Animations & Keyframes, 3D Transforms, Pseudo-elements, DOM Manipulation.

Tools & Workflow: Git, GitHub, VS Code, Replit, Chrome DevTools, AI-assisted debugging, Vercel (deployment)

Programming Languages: JavaScript, C, C++, Python

Engineering Foundation: AVR ATmega32, ARM Cortex-M, Raspberry Pi, RTOS, Embedded Linux, PCB Layout, VHDL.

Interpersonal Skills: Leadership & Team player, Communication Skills, Presentation Skills.

In Progress: Backend Development, AI Engineering

Technical Projects:

Cafe-Shop - Built a cafe website with product sections, subscription plans, and a clean, mobile-optimized UI. menafawzy92.github.io/Cafe-Shop

Dina Farms Products - Developed a food product showcase site featuring categorized listings, news updates, and trust-building information blocks. menafawzy92.github.io/Dina-Farms-Products

Engagement Invitation Web App - Designed and deployed a fully responsive digital invitation site for a personal engagement event. Built and debug using AI agents, it features an elegant opening animation, an event countdown, a photo gallery, venue details, and a one-tap RSVP, giving guests a smooth, memorable experience on any device. https://public-five-gamma-78.vercel.app/

Professional Experience:

Target Engineering - Technical Sale Engineer, Jul 2025 - Present:

- Manage the full sales cycle for control and safety systems in the Oil & Gas sector.
- **Achievement:** Sold 118K USD in solutions, generating approximately 38.94K USD profit (30% margin), Contributed to the annual profit target of 1.12M EGP (180%).

EISAC Automation - Technical Sale Engineer, Jan 2025 - May 2025:

- Supported industrial automation projects in the pharmaceutical sector.
- Manage CRM and sales pipeline via Odoo ERP.
- Coordinate with automation team on project execution and client visits.

EMS Engineering Marketing Services - Sales Engineer, Feb 2024 – Dec 2024:

- Represented Camfil, the global leader in air filtration, as exclusive agent in Egypt.
- Collaborated with pharmaceutical companies to provide innovative air filtration solutions.
- Prepared quotations, presented solutions, and closed deals.

Education:

Faculty of Engineering, Helwan University - B.Sc. in Electronics and Communication, Oct 2018 - Jul 2023

- **Grade:** Good.
- Graduation Project: ADAM (Ant Detect Alive Men) — Hexapod Robot for victim detection under rubble using thermal camera, microphone, and Raspberry Pi.
- **Project Grade: Excellent | 5th Place, Engineering Innovations Exhibition, Helwan University, Aug 2023.**

Certifications & Training:

- **Front-End Web Development Diploma (React JS)**: Software Engineering Future (SEF) -120 Hours, Score: 95.40% - Sep 2026.
- **ITI Embedded Systems Engineer Track**: Information Technology Institute (ITI), Jul 2023 - Nov 2023
- **IEEE MIE Certificate of Appreciation**: Made in Egypt Program, Aug 2023
- **Embedded Systems Diploma**: Eng. Mohamed Zaghloul - 230 Hours, Oct 2022 - May 2023
- **Python for Beginners**: Basics to Advanced - Udemy, Jul 2020
- **Intern, Egyptian National Railways**: Electronics Workshop, Aug 2021
- **Electronics Workshop**: Helwan University, Aug 2020

Ongoing Professional Development:

- **AI Engineering Course** - Software Engineering Future (SEF) - present - Expected Completion Mar 2027
- **Backend Development Course** - Software Engineering Future (SEF) - present - Expected Completion Jan 2027

Language Skills: **English:** Fluent – **Arabic:** mother tongue.

Extracurricular Activities: Volunteer at SEF Feb 2019 – Present.
